

Spirit of Faith Christian Center Gainesville

Tabatha A. Claytor, Pastor
Spirit of Faith Christian Center Gainesville

Tabatha Claytor is an awesome Pastor and Teacher of the Word. With a strong anointing to minister to the needs of women, Pastor Tabatha has a "Radical" desire to see every woman healed and walking in liberty. As a woman who leads by example, she is also passionate about teaching a lifestyle of holiness to teenagers and young adults.

A graduate of West Virginia University with a Bachelor's Degree in Liberal Arts and Sciences, Pastor Tabatha began a career in Human Resources but soon changed paces to an exciting career in Real Estate Sales. After being a leading Sales Rep for one of the nation's largest home builders, she journeyed, with her husband, into entrepreneurship where she was CFO. She also spent time as a stay at home mom. Now, a graduate of The Spirit of Faith Bible Institute in Maryland, and after years of ministry training, she works in full time ministry.

She has the Spirit of Victory all over her. Born and raised in the small city of Uniontown, Pennsylvania to a white mother and a black father, there were trials for her family from the very beginning. Living in government housing (also know as the projects) did not set the stage for a favorable life. At the age of six her father died leaving her and her pregnant mother to fend for themselves.

This threw her into a whirlwind of events. Pastor Tabatha has overcome poverty, racism, physical and sexual abuse, depression, addiction, eating disorders, and a slew of other attacks from the enemy. Because of these experiences, she loves teaching about the power of forgiveness and who you are in Christ Jesus. She preaches a powerful and refreshing word that "Your Past Doesn't Determine Your Future". Pastor Tabatha stands by her husband in ministry and together they are able to make impact in distraught marriages and family matters.

A committed wife, mother, and mentor, words can not describe her gentleness of spirit. The things that God has imparted into her are amazing. She exemplifies the Proverbs 31 "Virtuous Woman" in every way. Her wide range of experiences gives her the platform to minister to the needs of women of every race, every culture, every background, and every age.
